Sony Music

RE: Intern

Dear Hiring Manager,

I am someone who has a **great passion for all things surrounding music**. I was motivated to contact you upon learning that Sony Music has an opening for a new Intern, and I wanted to take this opportunity to introduce myself.

As a hard worker who is skilled in problem-solving and time management. I take initiative and get things done on my own as well as with others. I catch on quickly and work hard to continuously learn new skills. Just a few of my abilities include adobe creative suite, **data analysis**, and **creative problem solving**. During my time at Columbia Irving Medical Center I spent majority of my time coming up with **unique and eye catching** ways to recruit more patients for our research projects. I can see myself doing the same as a Sony Music intern and helping come up with life changing projects. I am certain that I will be a great addition to your company.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I can be a valuable addition to Sony Music and your business goals. At your convenience, I am available for an interview or further discussion. I look forward to your response.

Sincerely,
Awa Lowe
